

8th January 2019

Dear Parent/Carer,

Year 8 Options Evening Thursday 17th January at 6PM

As you will be aware we are holding our Year 8 Options Evening for you and your child on Thursday 17th January at 6pm, please access the building through the Main Entrance only.

This is a crucial time in your child's education as they prepare to choose subjects and courses that they want to study for their GCSE or BTEC qualifications, and explore their potential pathways during the next two years and beyond.

The evening will start in the Main Hall at 6:15PM with Mr Williams, our Deputy Headteacher, to explain the options process. Following the evening you will have the opportunity to discuss your child's possible choices by visiting stalls set up for each subject in the restaurant where you will be able to meet the subject teams, obtain further information, look at materials and ask any questions.

Following the Options Evening students will need to make the important decisions about the subject areas they wish to study. It is important that your child discusses these choices with you and their teachers before making their final decisions. Please remember, we do not advise that you make choices on the night, the deadline for the return of options forms is on Friday 1st February 2019 to give you the time to make the correct choices.

We are here to support students in making the right decisions for their future, if you require any further information please get in touch.

We look forward to seeing you on the evening.

Yours sincerely

Mr Williams
Deputy Headteacher
