

PUPIL PREMIUM SPENDING 2014/15 (Secondary)

Bolton St Catherine's Academy makes detailed plans to ensure that the Pupil Premium funding for every financial year is spent effectively and that there is measurable impact. The Pupil premium funding is there to further improve the progress and attainment of students who have been on free school meals in the last 6 years and/or students who are looked after children (LAC). As a school, pupil premium is a major priority and we are fully committed to raising the aspirations, attendance and wellbeing of the least financially advantaged students in our care.

Financial Year	£
2014/15	410,000

Type of Provision	Description	Rationale	Amount	Expected Impact	Resp	Evaluation
Learning in the Curriculum	Staffing Number in English and Maths - additional staff appointed in these core subjects	To allow more flexibility for a wide range of groupings and delivery to maximise achievement	£28,000	Attainment gap between eligible and non-eligible students making expected progress closes in English and Maths	DB/RS
